

Invite to the 2nd German Old Framlinghamian Dinner

Dear Fellow OFs,

After the tremendously successful dinner we held last year in Hamburg to commemorate the 150th anniversary of Framlingham College we would like to keep up the momentum and invite you to another German reunion dinner! The upcoming event will be a relaxed affair with the purpose to deepen the friendships we built last year and encourage even more OFs to join our circle! I also include our friends from Denmark, Belgium and the Netherlands in this invite as the commute might be reasonable enough for them.

When: Saturday the 21st of May 2016 at 7pm

Where: A restaurant in Düsseldorf, the exact location is depending on the number of people who will attend and will be released nearer the date

Attire: Smart casual, the evening shall be relaxed yet special

Cost: 45€ per person. Please wire the money to Kim Dickel, IBAN: DE32 4407 0050 0134 3144 00, BIC: DEUTDEDE440

RSVP: Until the 1st of April 2016 (including the money transfer) to my email address. You are welcome to bring a friend or your significant other!

As a very generous bonus the College offered to reimburse the first 10 OFs under 30 years of age who confirm their attendance to be subsidized by 50%! As we broke a couple of records during last time, one of which was that we held the youngest dinner ever, I am sure those places will be snapped up in no time.

To encourage you to come to Düsseldorf I would like to mention that the specific date of our dinner coincides with the Japan Tag (Düsseldorf is home to the largest population of Japanese people outside Japan). The day is a very colorful spectacle with many happenings and a big firework above the Rhine in the evening, which we will enjoy after our dinner.

(<http://www.japantag-duesseldorf-nrw.de/en/>). I would like to encourage you to fly in on Friday to make the most of the day in our beautiful Old Town on Saturday while enjoying this great event. And if more persuasion is needed: Düsseldorf was very recently crowned a remarkable place 6th in the global "Mercer Quality of Living Ranking", outranking heavy weights as London, New York and Berlin. Surely worth a visit, don't you agree? (<http://www.mercer.com/newsroom/western-european-cities-top-quality-of-living-ranking-mercero.html>)

I am happy to assist with hotels and other weekend planning. If enough are interested we could take a guided city walk or a boat tour to Kaiserswerth, one of the oldest and most beautiful parts of the city, on Sunday.

I am very much looking forward to see you in a couple of weeks!

All the best

Kim Alexandra Dickel (M97-98)

P.S. I am missing email addresses for 125 OFs, so please feel free to forward this email to anyone you might believe is interested in this event.
