

SOF Supper held at Lanhydrock Hotel and Golf Club on 24th March 2017

In February 2015 the first SOF Devon and Cornwall supper was held in Exeter and at that function it was agreed that the next event would be held somewhere in Cornwall.

On 24th March 2017 the inaugural Cornish supper was held at Lanhydrock Hotel and Golf Club which was attended by the following OF's and their partners:

Chris Essex (President K69-75) and his wife Eryl
Roger Daniels (G62-66) and his wife Liz
Clive Smith (S54-58) and his wife Jean
Richard Rains (G49-54) and his wife Barbara
Richard Porter (G54-59)
Brian Champness (G55-59)
Colin Micklewright (S55-59) and his wife Christine

An evening with good food, wine and excellent company was enjoyed by the "old" OF's and their spouses.

Clive Smith, Brian Champness and Colin Micklewright attended the College during 1955 to 1959 and had not met since leaving the school so the stories flowed a plenty and Richard Rains reminded us that he was most definitely the senior citizen attending his very first OF function a mere 63 years after leaving Framlingham.

Chris Essex very kindly updated us with news from the school and other OF's and we much appreciated his attendance with Eryl especially as we understand that it was his last function as President. Well done Chris.

A number of other OF's resident in Devon and Cornwall expressed an interest in this function and future events but could not attend on the date chosen. They included Adrian Hansell, James Liell, Ian Arthur, Christian Houchin, Philip Rees, Ronald Spencer and Barry Maynard Smith. It is therefore hoped that more OF's will attend the next function.

Below is a picture of Colin putting in a tournament the following morning. Despite the previous evening he managed to play to a very respectable handicap of 14.2, just 2 days before his 75th birthday, which Clive Smith celebrated on the day of the supper.
