

Grafton Morrish Tournament 2019

A youthful OF team entered the Grafton Qualifier at Gog Magog, Cambridge. This year we had four Under 21's representing the society in Jake & Ben Swinburn, Archie Winter, and Harvey Finbow, along with Rob Atton and Jack Westcott. Unfortunately on the day we did not manage to qualify, but the team played well, with a big improvement on the total from the previous year and finished a creditable tenth with 72 points, on another day, with a little more good fortune, it might have been another story. The top seven qualified for the finals, the highest score being 94 points and the seventh placed team recording 85 points. A big thank you is due to Ben Swinburn for stepping in at the last minute. The weather was kind and the course in great condition. Well done to the team, the most youthful participating on the day by far, in what is a demanding scratch aggregate points format.

Team:

Rob Atton
Jake Swinburn

Archie Winter
Harvey Finbow

Jack Westcott
