

## Cyril Gray 2019

The team enjoyed the practice round on Wednesday and settled on the 3 pairs for the competition the next day.

Framlingham were the last match out at 13.40 on Thursday against Ampleforth. An extremely close match ensued; Martin Lamb and Barry Hitchcock secured an early point as convincing winners. Hugh Curle and Andrew Towler were nip and tuck all the way to the 18<sup>th</sup> hole but unfortunately could not secure the win at the last to take the match to the 19<sup>th</sup>. Richard Graves and Peter Watts had some bad luck initially and fell behind. They did however recover their position mid way through the match. They teed off the last hole 1 down but were unable to secure a win. The match was played in very good spirits and really could have gone either way however Ampleforth moved into the next round as 2:1 winners.

The following morning, Framlingham were drawn against Brighton in the 1<sup>st</sup> round of the plate competition. Martin & Barry and Richard & Peter won their matches but unfortunately Hugh & Andrew once again lost on the 18<sup>th</sup>.

In the afternoon of Friday Framlingham were drawn against a strong Canford team in the 2<sup>nd</sup> round of the Plate and lost 3-0.

As usual Worplesdon played extremely well and was thoroughly enjoyed by all.
