

OF Hockey vs College 1st XI by Luke Quartermaine

On 5th January SOF fielded a hockey side against the recently highly acclaimed 1st XI. After a strong few days of pre-season the College must have felt somewhat confident about our less than athletic looking team. But using the experience of Alex Emsden and Ollie Yeatts the OF team managed to secure a one goal lead just before the half time whistle. Using the momentum of that goal OFs accelerated scoring 3 more to take the final score to 4-0 (2 goals from Cam Greenhall, 1 from Alex Emsden and 1 from ...).

The match was enjoyed by both teams and the match was played in a fun yet competitive match-as it should be. Post-game we all headed to the New Fowler Pavilion where the OF presence was greatly felt and stories of college tales were shared between past and present pupils. We hope that going forward this can be an annual fixture where more OFs can either play or come along to support. A massive thanks must go out to Archie Winter and Jamie Kingstone for their hard work organising a fantastic event.
