

SIR FRANK BENSON Kt CVO CBE (1888-92)

I can find nothing on him other than what is contained in the 1968 register.

He was born in September 1878 and served in WW1 and start of WW2. During WW1 he was mainly involved with catering, rising in 1917 to assistant managing director of Navy and Army Canteen Board, before being appointed as Colonel and Deputy Controller of the War Office in 1918.

He was mentioned in dispatches in France and Italy and was awarded the CBE on 3 June 1918.

He served as General Manager of the Navy, Army and Air Force Institutes from 1923 until his retirement in 1942. He was awarded a CVO in 1941 and was knighted in 1942.

Not known when he died.
