I'm indebted to John Mawson (non OF) for the following photos :-

This is a picture of his headstone in the Croix-Du-Bac British Cemetery at Steenwerck, Nord, France.

He is remembered on the memorial at Dumbleyung in Western Australia, near Perth.

Nearby, he is also remembered on the Nagin Memorial, although his initials have been swapped round!

Finally, he is also remembered on the nearby Nyabing Memorial

How many of the fallen are remembered on so many memorials?
