The Society has now registered with the Charity Commission a new charitable fund, Society of Old Framlinghamian Charitable Trust (Charity Reg. No. 1158435), so that donations will now attract Gift Aid relief.

The new charity will fund three objectives :

- Capital improvements at the College**
- Scholarships and bursaries to enable future and existing pupils to receive the benefit of education at the College, and**
- Benevolence for those OFs who have fallen on hard times, an area where our Trustees have been called on twice in 2014.**

If you would be interested in discussing making a donation or bequest, then please email the chair of Trustees at trustees@oldframlinghamian.com
